Questions to consider, discuss or journal.

“God is the Maker of the Bear and Orion, the Pleiades and the constellations of the south. He performs wonders that cannot be fathomed, miracles that cannot be counted.” Job 9:9&10

How do you experience God’s creative power?

The Sign of Capricorn:

In addition to the Capricorn constellation, are there other examples in creation that draw you to understand the atoning work of Christ and the resurrection?

The Sign of Aquarius:

The writer follows the themes throughout scripture of living water and being “poured out.” Which references stood out to you the most? Did any additional references come to mind? How do you experience the blessings of the living water poured out to you?

The Sign of Pisces:

We see tension and struggle in Pisces, of the church living under the law and living in a state of grace. How does your ecclesia resolve this tension? Do you experience this struggle in your own life?

The Sign of Aries:

In the sign of Aries we have a beautiful reminder of the perfect sacrifice of Jesus and the defeat of death in the promise of the resurrection. How do you remember this sacrifice and promise in your life? How are you prompted to action?

Which Sign did you find the most compelling?
