

Living Praise

by Aletheia Burney

Questions to consider, discuss or journal.

Have you been moved to a place of worship and awe by experiencing God's glory in creation?
How did you respond to being inspired by the presence of God?

Music has the ability to speak in a way that words alone can't. Have you been a part of a moving or inspiring praise session?

How can you create more opportunities for praise and worship in your community?

How does music effect your experience at a church service or bible class? What hymns or songs are meaningful to you?

Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. (Col 3:16)

Besides music, what other ways can you express praise and gratitude to God?
